Frequently Asked Questions

What will campers learn?

Summer Day Camp 2013 includes five themed days: **Farm Livin'**, **Wilderness Day**, **Gold Rush**, **Pirate Day**, and **Water Day**. Some activities and lessons include: archery, tomahawk throwing, treasure hunting, wilderness survival, map-reading and orienteering, animal tending, berry picking, gold panning, weaving, and much more. Counselors wear attire according to the day's theme, and they teach in settings that re-create a small 18th century New England village, a Gold Rush mining community in 1849, and the excitement and adventure of Piracy's golden era. Please review the 2014 Sample Itinerary for details on each day's activities.

What ages are allowed at Summer Day Camp?

Campers age 6-14 are eligible for registration.

How many campers may attend?

Our camp capacity is 80.

What should my child wear?

Guests should dress in cool clothing appropriate for outdoor summer adventure. Jeans/pants or shorts are best. Long pants are not required, except on Wilderness Day. Tennis shoes or sneakers are the best form of footwear, since campers will be hiking on dirt trails and playing outdoors. Overall, stick with cotton and leave at home that which you don't want getting dirty.

What should my child bring?

- A change of clothing and extra shoes/socks tend to come in handy, as does a good sun hat. Water will be provided to campers throughout the day, but water bottles are strongly recommended. Campers need not bring food unless they want extra snacks.
- Please provide medication and detailed instructions if you would like the staff to administer any prescription or over-the-counter meds during the day. Kindly advise the office when you register if your camper has any allergies.
- The Bakery window and colonial store will be open during the week, so campers may bring money to buy extra food, pies, or souvenirs. Time will be allotted on Friday afternoon for the campers to visit the mercantile.
- On Fridays, we recommend that all campers dress normally and bring the following for Water Day: a towel, bathing suit or swimming trunks, water shoes (if desired) or flip-flops.

How hot is it in the summer?

Usually it is about 10-15 degrees cooler than the surrounding towns, getting into the 80s and 90s on some days. Most physical activities take place in the morning, and the afternoon activities are done inside buildings, under tents, and near the pond.

Is the program co-ed?

Yes. We welcome boys and girls.

My child is coming with a friend. Will they be in the same group?

Yes! However, some activities require us to break into smaller groups for short time periods.

What type of qualifications and experience does your staff have?

Our staff is very experienced and well-trained. Counselors maintain current First Aid and Adult/Infant/Child CPR training and certification through the American Red Cross, as well as Food Handler's Certification through the County of San Bernardino. Staff members work year-round with children of all ages.

Do you have emergency response plans?

Yes, we have an extensive employee manual and training program to help us deal with all possible situations, including medical, fire, earthquakes, uninvited guests and wildlife.

What are your disciplinary procedures/expectations of campers?

We begin each week with a brief meeting with our campers, wherein we advise them of all of our policies and expectations. We communicate that they are in place to ensure everyone's safety and fun. Campers are advised that a first offense will result in a verbal reminder of what the rule is, and how it was broken. Second timers will receive a short break from the group, in a safe, supervised location, to give them a moment to consider what has transpired and how they may change their behavior. A third offense will result in a phone call to a parent/relative. Repeated behavioral issues beyond a phone call will result in a child being sent home for a day or more. Since our focus is safety and fun for all, we do everything we can to prevent issues before they arise.

Where should I stay when visiting from out of town?

There are plenty of local accommodations to suit your travel needs. Please reference the last page of this packet for details and recommendations.

Drop-Off and Pick-Up:

Enter the farm at the large, red-lettered "Riley's Farm" sign. Next, take a right turn into the Colonial Chesterfield Parking lot. Look for the large, white colonial building that houses the bakery and restaurant. Proceed to the ground floor on the South side of the building (near the Lower Pond). The brick Cider Cellar is our home base. **Please sign your camper in and out each day in the Cider Cellar Office.** Only persons on the approved list (on registration form) will be allowed to pick up your camper, and we will check identification before releasing the camper.

How do I get there?

From Los Angeles & Points West: Take the I-10 or the I-60 toward Palm Springs. Exit on Beaumont Avenue. Turn Left and proceed approximately nine miles (Beaumont Avenue will become Oak Glen Road). After you see the apple-shaped sign that reads "Welcome to Oak Glen" look for the large, red-lettered "Riley's Farm" sign on the right hand side of the road.

From Palm Springs and Points East: Take the I-10 west towards Los Angeles. Exit on Beaumont Avenue. Turn right and proceed approximately nine miles (Beaumont Avenue will become Oak Glen Road). After you see the apple-shaped sign that reads "Welcome to Oak Glen" look for the large, red-lettered "Riley's Farm" sign on the right hand side of the road.

Are meals included?

Yes! Regular hours include a lunch and two snacks, morning and afternoon. Extended hours include the same with breakfast in the tavern at 8AM.

What's on the menu?

Campers will feast on tasty and nutritious delights from the on-site restaurant and bakery. Some favorites include: pizza, chicken drumsticks, quesadillas, cheeseburgers, hot dogs, sandwiches, and apple crisp. The complete sample menu can be found on the next page.
